Data Statement. This information is collected to administer the Better 2gether Funding, the Early Years Pupil Premium (once your child becomes three) and to inform children's services planning, it is used to assess take up and geographical spread of need. The council will check information against other sources as allowed by law to verify entitlement, such as the Eligibility Checking Service (ECS) that is accessed via a secure government website which links to benefit providers. However, if the ECS has not been able to verify your benefit, we will then need to contact you to ask for evidence to show you are currently in receipt of the benefit ticked or to confirm your income.

This information is also used to engage children's centre services. Information about children progress will be collected for evaluation and parents/carers are offered the opportunity to contribute to this. The information requested will be held securely and will only be disclosed to staff in the Local Authority or partner agencies who have a right of access, as well as, where appropriate, to the Department of Education, Ofsted and CACI. Wiltshire Council processes all personal data in accordance with the requirements of the General Data Protection Regulation (GDPR)

I confirm that I have read and understood the data statement above and would like my child to have a funded place at an approved setting. (NB: Not all settings/childminders qualify to receive the funding, please check list of eligible settings available on www.wiltshire.gov.uk)
